In accordance with Rules 1.56 and 1.98, the references listed on Form PTO-1449 are hereby brought to the attention of the Examiner as being possibly material to examination of the subject patent application.

Applicants do not have an English translation of either French Patent Publication No. 2,209,368 or French Patent Publication No. 2,219,636. Based on the drawings, each of these references appears to disclose a method of forming disposable diapers in which the crotch region is folded inward.

Form PTO-1449 (2 pages) is enclosed with a copy of each and every reference cited on Form PTO-1449.

Respectfully submitted,
